

TEMPORARY THERAPIST

Project Sister Family Services is hiring a temporary therapist. This could be either a Full-Time or Part-Time position. We are a sexual assault crisis center in Pomona that provides sexual assault counseling to victims and non-offending family members. We also have a child abuse prevention program in which we can see kids who have experienced any type of abuse, including bullying.

Job Duties

- Maintain a full caseload of 20-25 clients (full-time)
- Conduct intake assessments and treatment plans for assigned cases
- Provide individual therapy to kids, adolescents, and adults
- Provide referrals to community-based organizations
- Participate in individual supervision, group supervision, staff meeting, and case conference

Job Requirements:

- Master's degree in a social work, psychology or clinically related field required
- BBS #

Preferred Experience:

- Prior experience working with trauma survivors

Job Type: Temporary

Required education: Master's
